

Blaze Across the West The Tumbling Tumbleweeds

It has been two years since the release of the self-titled CD from this California quartet consisting of Rob Wolfskill, Cade Parenti, Chris Acuff and R.J. Mills. Here they are back with a new CD in the tradition of the old Western Vocal Groups and in keeping with the style of their first opus, with an almost equal mixture of new and traditional cowboy and western tunes (with 11 tracks there is no chance of complete equality). In a genre where new compositions and composers are rare [The Tumbling Tumbleweeds] give us four original songs including, the beautiful ballades, *Lazin' Down the Trail* and *Sleepin' on a Mountain* and the excellent *California* with Mexican Accordion! Let's hope they don't make us wait another two years for the next CD!
