Formed in 2005, The Tumbling Tumbleweeds are celebrating their 5<sup>th</sup> Anniversary! As their name suggests, The Tumbling Tumbleweeds are a tribute to the Silver Screen Cowboys such as The Sons of the Pioneers, Roy Rogers and Gene Autry. Although The Tumbling Tumbleweeds feel the Sons of the Pioneers are the "blue print" they do bring their very own unique brand of entertainment to the world of Western Music with a show complete with singing, humor, storytelling and some zany western boot stompin' antics!. They also write and perform their own original songs! It is the mission of The Tumbling Tumbleweeds to reach and engage as many young people as possible so that the legacy of Western Music isn't lost in the midst of the ever declining state of "pop-culture" but can live on to the next generation of music lovers. With a blend of *western heritage* and *movie nostalgia* they are “Family Entertainment” through and through!

Named one of the **Top 10 Live Acoustic Acts in Southern California by FolkWorks Magazine**, The Tumbling Tumbleweeds have developed a sizeable fan base since their beginning in 2005 both nationally and globally.

**Local Performance Areas:** Altadena, Pasadena, El Cajon, San Diego, Long Beach, Palm Springs, Los Angeles, Rancho Palos Verdes, Apple Valley, Redondo Beach, Fullerton, Indio and all of Southern California and the Southwest.

**Venues:** Tombstone Western Music Festival, Calico Ghost Town, Mavericks Coffee House, Coffee Gallery Backstage, Autry National Center, Boulevard Music, Arizona Folklore Preserve, Wieghorst Western Heritage Festival, WMA Western Music Festival in Albuquerque, Topanga Folk Festival, Adams Ave Roots Festival, Cochise Cowboy Music & Poetry Gathering, Roy Rogers Happy Trails Foundation, numerous private, corporate and charitable events.
